

desmoj.extensions.application
Domains.harbour.HoldingArea.takeBack

```
graph LR; A["desmoj.extensions.application  
Domains.harbour.HoldingArea.takeBack"] --> B["desmoj.core.simulator.Named  
Object.getName"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from left to right. The left box has a light gray background and a black border, containing the text 'desmoj.extensions.application' and 'Domains.harbour.HoldingArea.takeBack'. The right box has a white background and a black border, containing the text 'desmoj.core.simulator.Named' and 'Object.getName'. A dark blue arrow points from the right side of the left box to the left side of the right box.
